# Q-1: Explain your Type of Production

## ■ Type of Production

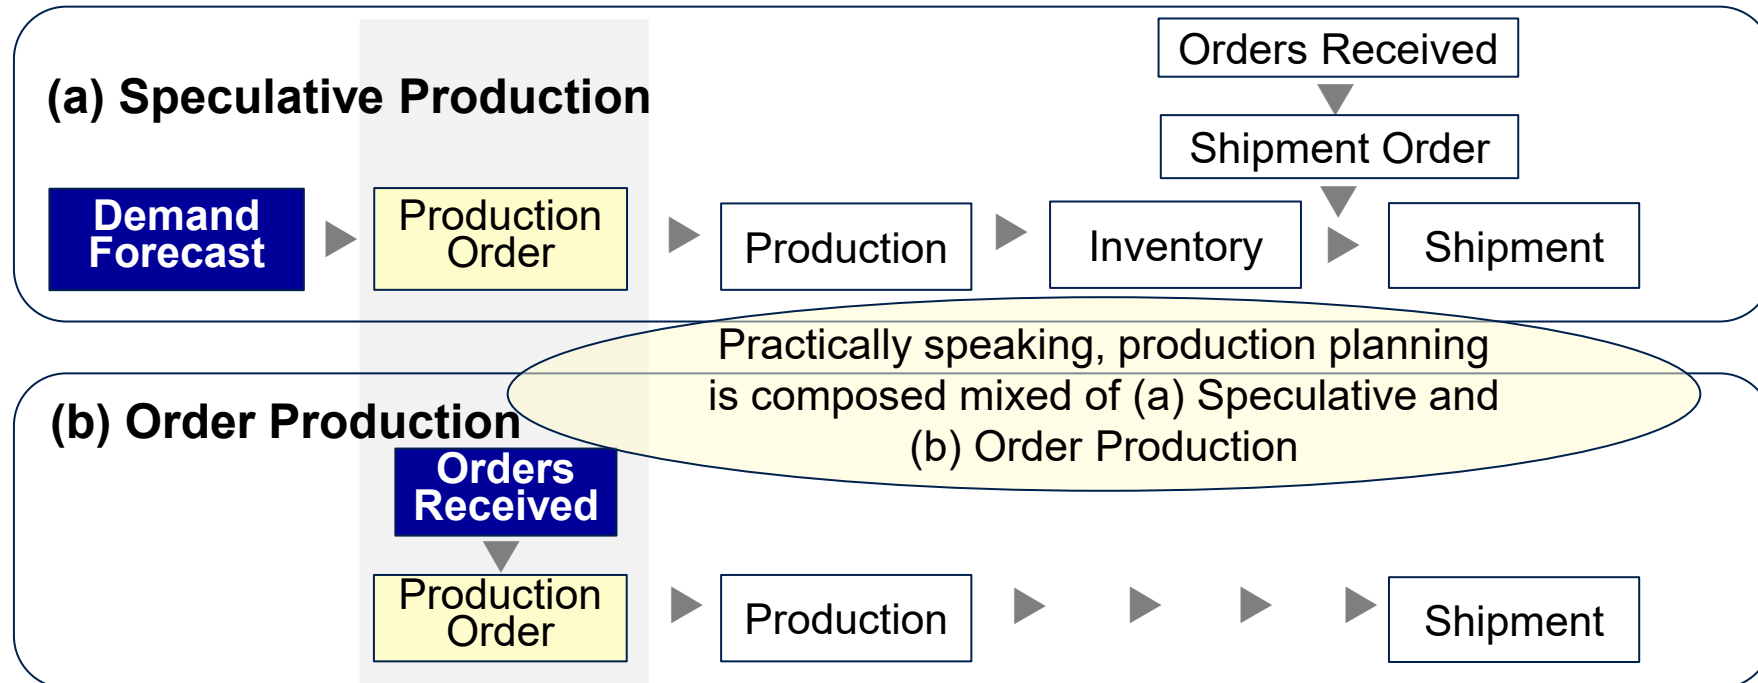

1) Speculative Production (Market Production, Make to stock)?

Or

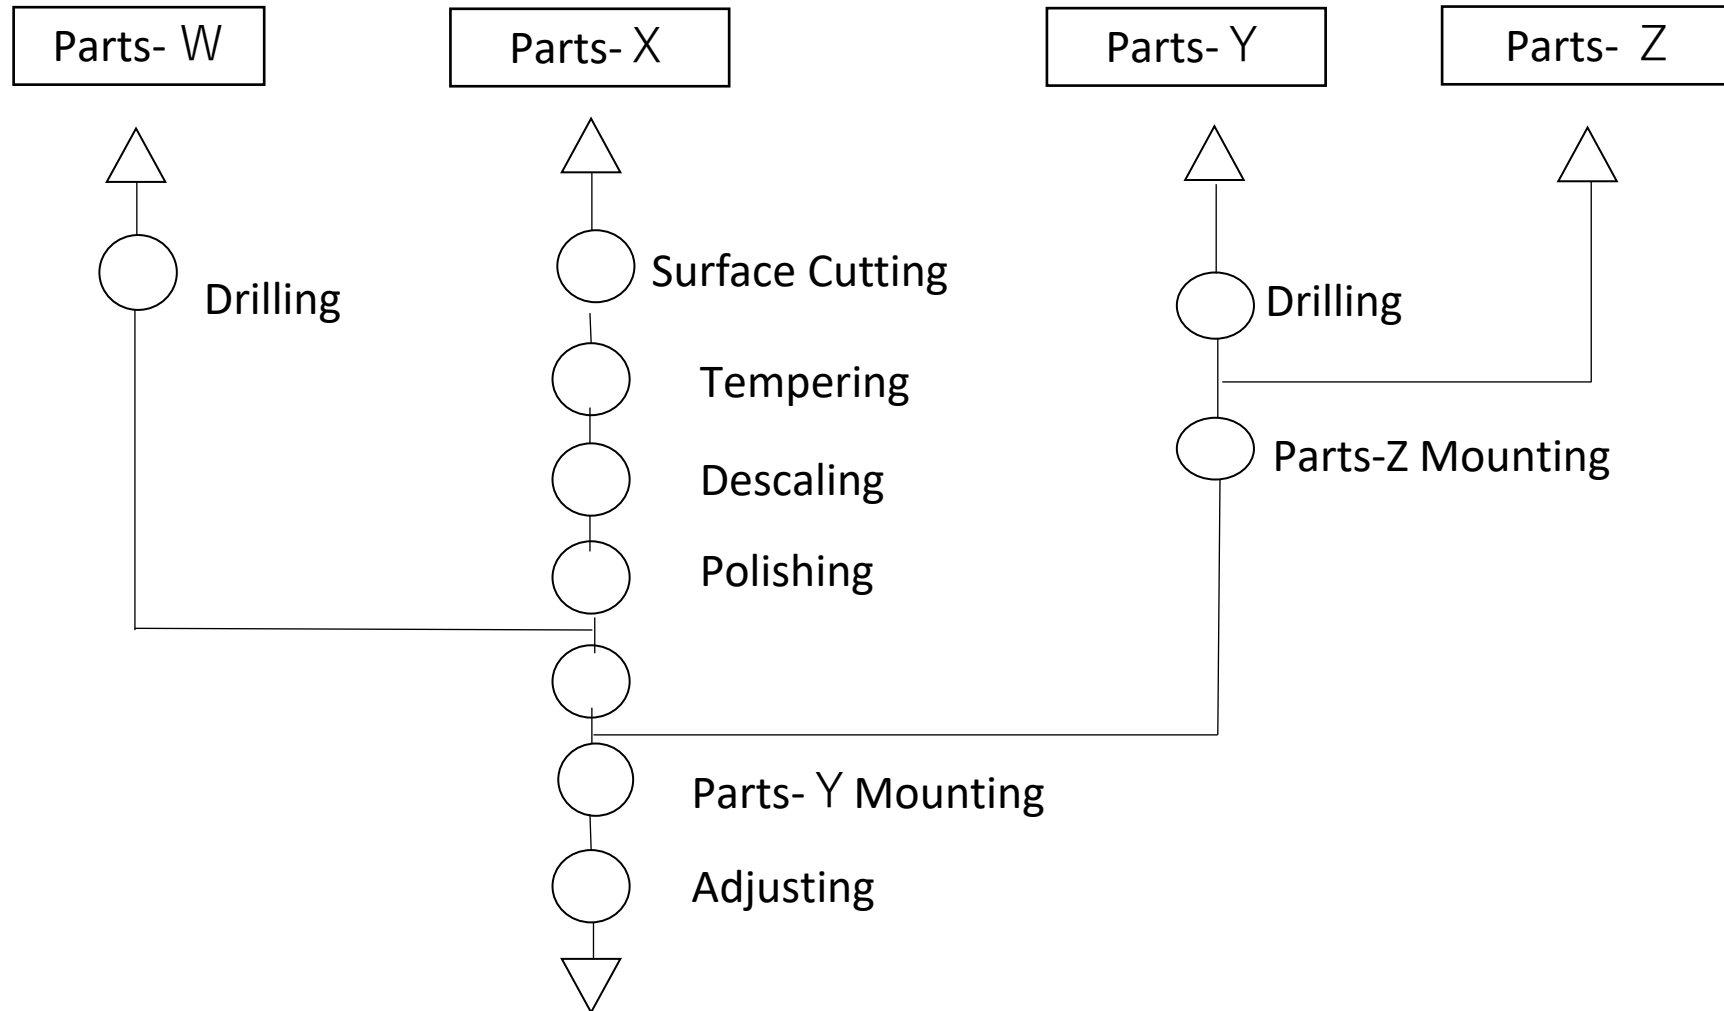

2) Order Production (Built-To-Order [BTO] Production)?

Or

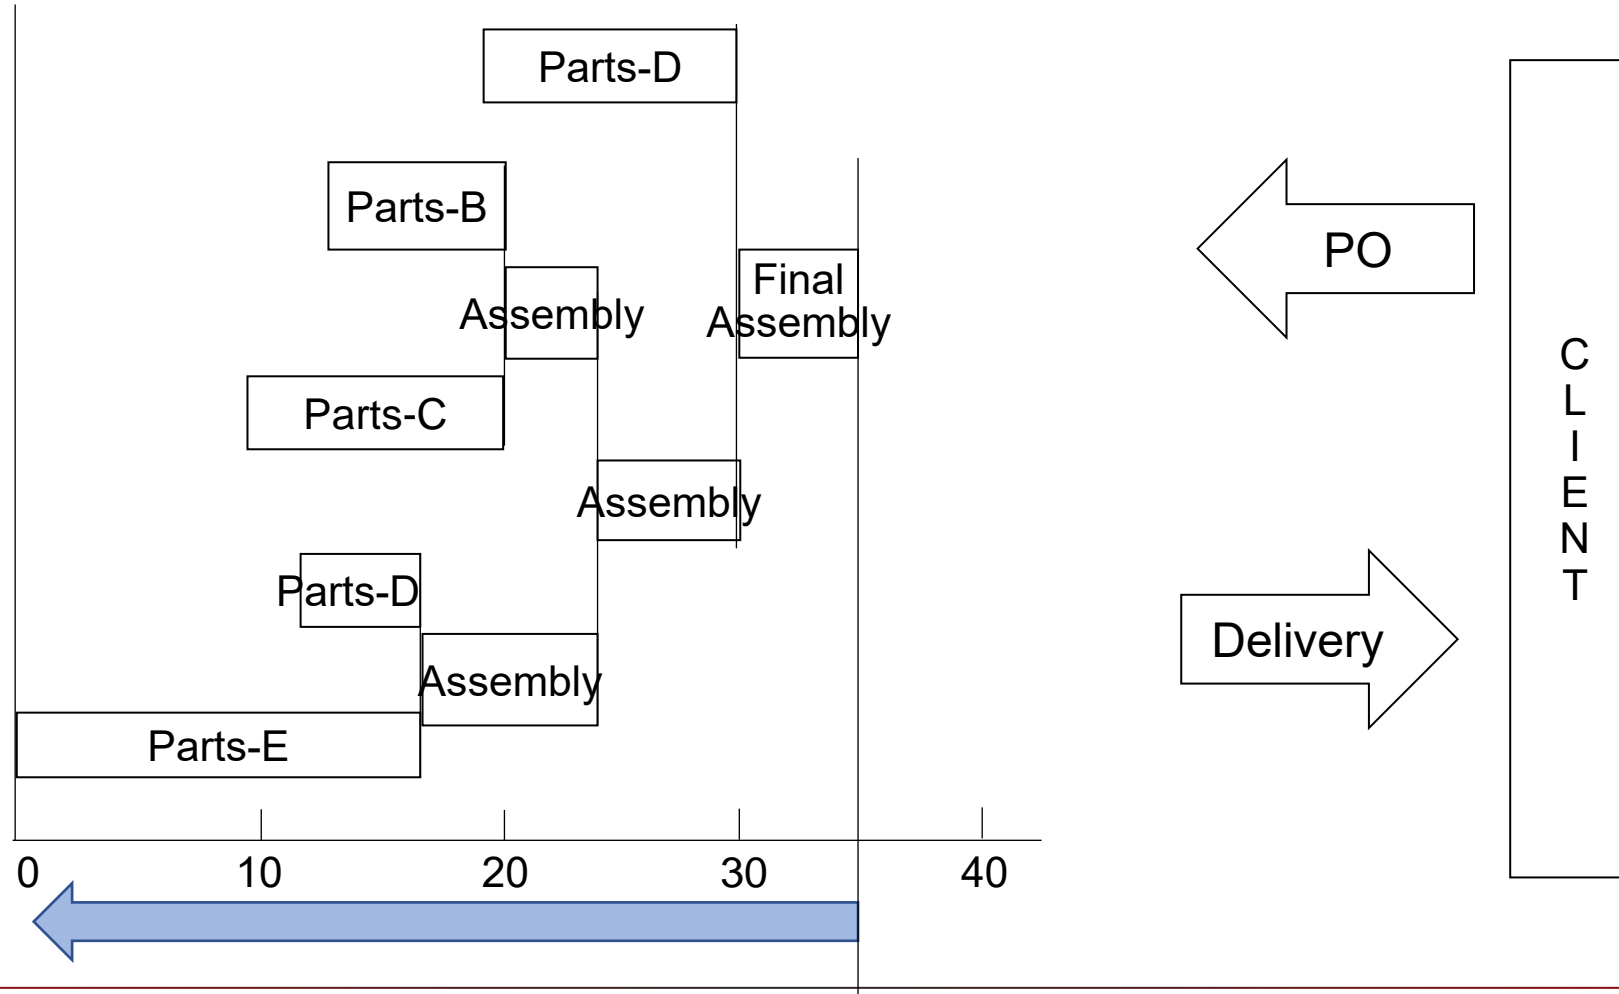

3) Mix of Speculative and BTO production?

- Define the order and procedures of processing and assembling from materials and parts to finished product

- The Backward way of planning Standard Schedule Design enable to:
  - ◆ Establish the basis to clarify & remove the wasteful of stagnation of time

## Large Production Plan
